

Dear friends and loyal customers,

After thinking long and hard for more than a year I have decided to close on Tuesdays. Saturdays are quite busy with breakfast, lunch and catering, and we try very hard to accommodate anyone who needs catering on Sunday; so Tuesday was the next logical day to be closed. The hard part of this decision was the inconvenience this might create for you, my customers. Therefore I feel I owe an explanation for my decision.

As you all know this is a family business. All my daughters, grandchildren, and people I consider family have dedicated many years working for me. When I started this business 35 years ago I had three small children. I've had the privilege to be open Tuesday – Friday, 10am – 2:30pm so that I could be both a mother and a business woman. Now that my family is growing, I would love to afford my daughters and employees the same luxury and privilege. And believe me I understand this time is really both a luxury and a privilege.

Because I have to change the hours of operation on our menu, I am excited to take this opportunity to add some new items to our breakfast and lunch menu. Our cupcake, catering and summer picnic menus will also expand. Further, "Dinners To Go" will be available Wednesday – Saturday. Please visit our website for all the details.

I appreciate your understanding and continued patronage. I hope you respect the reasons for my decision and I wish you a healthy new year. I am going to be a grandmother for the 5<sup>th</sup> time, so I can't think of a better way to celebrate my New Year!

In kindness & much appreciation,  
Alicia
